

Is Your Vehicle Ready For Winter? Checklist 2

Winters can be challenging for people on the road. Weather conditions can be unpredictable, placing extra demands on your vehicle and you. Get your vehicle winter-ready with a maintenance check-up. Make sure that your vehicle is mechanically ready for winter conditions. Ensure you are well prepared for winter roads and always adjust your driving speed to road and weather conditions. These will help you get safe while driving during the holiday season.

Here's a checklist for you to rate how ready your vehicle is; one of the most important factors that can affect your safety on the road.
